S365NG SBA

As a newly enrolled SBA, you will earn the following Direct Sale commissions when you personally make a sale during the Pre-Launch: **Travel Owner Package - \$15**

Personal Sales Made Prior To Team Builder Level

During the Pre-Launch, every personal Travel Owner Package sale made before you become a Team Builder generates a deposit of \$71.42 in to your Bonus Bank. These deposits are added to your Team Builder Bonus Bank deposits and are paid weekly in \$1,000 increments.

Personal Sale Residual

In addition to the \$15 Direct Sale Commission and \$71.42 Bonus Bank deposit, every personal sale pays a \$10 residual every month the owner remains active.

Team Builder Level

To qualify at the Team Builder level, you and your team of SBAs must accumulate a total of six (6) points. Three (3) of the six (6) points must come from personal sales. There is no time limit to qualify at this level. A Travel Owner Package sale counts as one (1) point.

IMPORTANT NOTE: The three (3) personal Pre-Launch sales qualify you to Override (QTO). Being QTO is a requirement for earning Team Builder Commissions and Bonuses (see Qualified to Override section). As long as you remain QTO, Team Builders earn \$10 for every Travel Owner Package sale made within their Team Builder Group. This includes all of your personal sales, as well as any sales made by the SBAs in your group who have not yet become Team Builders. If you are a Team Builder and you make a personal sale, your total commissions on the sale would be \$25 (\$15 Direct Sale commission and \$10 Team Builder commission).

Team Builder Bonuses

Additionally, there are Team Builder Bonuses available as you continue to grow and build your Team Builder Group. During the Pre-Launch, every Travel Owner Package sale made by you and/or SBAs in your Team Builder Group who have not yet reached the Team Builder level will generate a deposit of \$71.42 in to your Bonus Bank. Bonus Bank deposits are paid weekly in \$1,000 increments.

Regional Team Builder Level

The next level of leadership is the Regional Team Builder Group. During the Pre-Launch you can achieve this next level of leadership by earning 70 total Team Builder points through Travel Owner Package sales. Once you earn 70 total Team Builder points (or earn five (5) \$1,000 Team Builder Bonuses) you will achieve the position of Regional Team Builder and will start building your Regional Team Builder Group with your next personally enrolled SBA. As long as you remain QTO, the earnings at this level increase significantly. Regional Team Builders earn an additional \$10 on personal and team Travel Owner Package sales made in their Regional Team Builder group. You will also earn \$10 on Travel Owner Package sales made by SBAs who report to a Team Builder within your Regional Team Group.

Regional Team Builder Bonuses

The \$1,000 Bonus increases up to \$100 and the \$10,000 Bonus increases up to \$2,000! The \$1K and \$10K Bonus overrides at the Regional Builder level are paid according to the Regional Builder of the sales making up the Bonus.

\$10,000 Bonus

During the Pre-Launch, each time your Team Builder Group grows by 100 active sales, you will earn a \$10,000 bonus. An active sale is any active product subscriber in your Team Builder Group. To qualify for this bonus you must have 100 active sales in your Team Builder Group at the end of any given month. This month is considered your "Qualifying Month." You must have 100 active sales on the last day of any following month, your "Maintain Month." Your bonus will then be paid on the 11th day of the next month, your "Award Month." Team members enrolled prior to the 100th active sale will be removed from your count so that new team members enrolled after the 100th active sale will count as credit toward your next \$10,000 Bonus!

Example: A Team Builder achieves 100 active sales in their Team Builder Group on March 31st and is qualified for the bonus. They must have 100 active sales on April 30th at 11:59 PM CT in order to receive the \$10,000 bonus on May 11th.

National Team Builder Level

The next level of leadership is the National Team Builder Group. During the Pre-Launch you can achieve the position of National Team Builder by earning 210 total Team Builder points (or by earning fifteen (15) \$1,000 Team Builder Bonuses). You can also achieve the position of National Team Builder by having a total of 167 balanced credits towards the Level 2 Marketing Director position. As with the Team Builder and Regional Builder levels, as long as you remain QTO, you are qualified to receive additional compensation. National Team Builders earn an additional \$10 on personal and team Travel Owner Package sales made in their National Team Builder group. You will also earn \$10 on Travel Owner Package sales made by SBAs who report to a Team Builder within your National Team Group. The \$1,000 Bonus increases another \$100 (up to \$1,200 total) and the override on the \$10,000 Bonus goes up another \$2,000 (up to \$4,000 total)! The \$1K and \$10K Bonus overrides at the National Builder level are paid according to the National Builder of the sales making up the \$10,000 Bonus.

Qualified to Override

SBAs are considered QTO when they have personally sold three (3) or more Travel Owner Package products during the Pre-Launch. They remain QTO as long as any three (3) of these personally sold Travel Owner Package sales are active. You must be QTO to earn Team Builder Commissions and Bonuses.

The 100% Match

As long as an SBA is QTO, they will earn a 100% match on the Team Builder Commissions earned by all of their personally sponsored SBAs. For example, if one of your personally sponsored Team Builder SBAs earns \$20, you earn \$20! Additionally, the 100% Match also applies to the \$2.00 Team Builder residual paid on the monthly subscription fee. (Please note: There will not be a match paid on any Bonuses, the 100% Match, or others where noted.)

Team Builder Generations and Commissions

A Team Builder Generation will start when one of your Team Builder SBAs starts their own Team Builder Group. Their Team Builder Group is considered 1st Generation to you. When a 1st Generation SBA starts their Team Builder Group, that Group is 2nd Generation to you. This continues for six (6) Generations.

Initial fee commission on Team Builder Generation 1 through Generation 6 is:

Travel Owner Package - \$5.00

Director Generations and Commissions

A Director Generation will start when one of your SBAs becomes a new Marketing Director. That new Marketing Director is considered 1st Generation to you. When a 1st Generation Director produces a new Marketing Director, that Marketing Director is 2nd Generation to you. This continues for three (3) Generations.

Initial fee commission on Director Generation 1 through Generation 3 is:

Travel Owner Package - \$5.00
