## It's **Bigger**...It's **Better**...It's **Time!**

Congratulations on your decision to become a S365NG Business Associate (SBA) during our Pre-Launch. It is our goal to help you achieve success and make the dream of financial freedom a reality.

### Getting Started

As an SBA during the Pre-Launch, you will 1) be sharing the Pre-Launch Package which includes the products: Vortex / Travel Agency

Also, as an SBA during the Pre-Launch, you will 2) build a team of SBAs using a team-building approach to earn commissions by selling the Pre-Launch Package.

Plus, you will receive the state-of-the-art Surge365 Mobile App so you can work your SBA business on the go AND you will receive the Taxbot app, which is the ultimate mileage and expense tracker!

As an SBA you have access to share the following product during the Pre-Launch:

### Pre-Launch Package (Includes Vortex & Travel Agency) -

**Initial Fee: \$99.95 License Fee + tax where applicable | Ability to activate account 30 days after signup**

Includes the industry first online Vortex travel site where Vortex owners can earn Cash Rewards online 24/7/365! Thirty (30) days after signing up, Pre-Launch Package signups will have the ability to fully activate their Pre-Launch Package account in their Back Office. Complete details and benefits will be available during the activation process.

### S365NG SBA

As a newly enrolled SBA, you will earn the following Direct Sale commissions when you personally make a sale during the Pre-Launch:

#### Pre-Launch Package - \$10

#### Team Builder Level

To qualify at the Team Builder level, you and your team of SBAs must accumulate a total of six (6) points. Three (3) of the six (6) points must come from personal sales. There is no time limit to qualify at this level. A Pre-Launch Package sale counts as one (1) point.

**IMPORTANT NOTE:** The three (3) personal Pre-Launch sales qualify you to Override (QTO). Being QTO is a requirement for earning Team Builder Commissions and Bonuses (see Qualified to Override section). As long as you remain QTO, Team Builders earn \$10 for every Pre-Launch Package sale made within their Team Builder Group. This includes all of your personal sales, as well as any sales made by the SBAs in your group who have not yet become Team Builders. If you are a Team Builder and you make a personal sale, your total commissions on the sale would be \$20 (\$10 Direct Sale commission and \$10 Team Builder commission).

## Team Builder Bonuses

Additionally, there are Team Builder Bonuses available as you continue to grow and build your Team Builder Group. During the Pre-Launch, every Pre-Launch Package sale made by you and/or SBAs in your Team Builder Group who have not yet reached the Team Builder level will generate a deposit of \$71.42 in to your Deferred Bonus Account (which is available in your Back Office). Upon account activation (which can occur 30 days after signup) the \$71.42 will be rolled over from your Deferred Bonus Account and added to your Bonus Account. The Team Builder Bonus is paid in \$1,000 increments from your Bonus Account.

## Regional Team Builder Level

The next level of leadership is the Regional Team Builder Group. During the Pre-Launch you can achieve this next level of leadership by earning 70 total Team Builder points through Pre-Launch Package sales. Once you earn 70 total Team Builder points (or earn five (5) \$1,000 Team Builder Bonuses through your Bonus Account) you will achieve the position of Regional Team Builder and will start building your Regional Team Builder Group with your next personally enrolled SBA. As long as you remain QTO, the earnings at this level increase significantly.

## Regional Team Builder Bonuses

The \$1,000 Bonus increases up to \$100 and the \$10,000 Bonus increases up to \$2,000! The \$1K and \$10K Bonus overrides at the Regional Builder level are paid based on Bonus Account earnings and according to the Regional Builder of the sales making up the Bonus.

## \$10,000 Bonus

During the Pre-Launch, each time your Team Builder Group has 100 activated Pre-Launch Package sales that make their first monthly payment, you will earn a \$10,000 Bonus. Activated Pre-Launch sales include the Pre-Launch Package owners who fully activate their account after joining the Pre-Launch and then make their subsequent first monthly payment, hereinafter referred to as "active sales." To qualify for this bonus you must have 100 active sales in your Team Builder Group at the end of any given month. This month is considered your "Qualifying Month." You must have 100 active sales on the last day of any following month, your "Maintain Month." Your bonus will then be paid on the 11th day of the next month, your "Award Month." Team members enrolled prior to the 100th active sale will be removed from your count so that new team members enrolled after the 100th active sale will count as credit toward your next \$10,000 Bonus! The Pre-Launch Package sale that fully activates their account and makes their first monthly payment will count as one credit toward the \$10,000 Bonus.

**Example:** A Team Builder achieves 100 active sales in their Team Builder Group on January 31st and is qualified for the bonus. They must have 100 active sales on February 29th at 11:59 PM CT in order receive the \$10,000 bonus on March 11th.

## National Team Builder Level

The next level of leadership is the National Team Builder Group. During the Pre-Launch you can achieve the position of National Team Builder by earning 210 total Team Builder points (or by earning fifteen (15) \$1,000 Team Builder Bonuses through your Bonus Account). You can also achieve the position of National Team Builder by having a total of 167 balanced credits towards the Level 2 Marketing Director position. As with the Team Builder and Regional Builder levels, as long as you remain QTO, you are qualified to receive additional compensation. The \$1,000 Bonus increases another \$100 (up to \$1,200 total) and the override on the \$10,000 Bonus goes up another \$2,000 (up to \$4,000 total)! The \$1K and \$10K Bonus overrides at the National Builder level are paid based on Bonus Account earnings and according to the National Builder of the sales making up the \$10,000 Bonus.

## Qualified to Override

SBAs are considered QTO when they have personally sold three (3) or more Pre-Launch Package products during the Pre-Launch. They remain QTO as long as any three (3) of these personally sold Pre-Launch Package sales are active. You must be QTO to earn Team Builder Commissions and Bonuses.
